DARE TO AIM HIGH!

Aim for the stars and Concentrate
on them - no half measures!

Relax,
I'm not aiming
at you - I'm aiming
a lot higher!

GOALS? DREAMS? Don't let them die!
Learn to write them down.
Never allow your goal to dim
- keep it well lit!

My goal
is to learn
to write -
so I can
make a list
of my
goals!

Consider the postage stamp.
It secures success through
its ability to stick to one
thing till it gets there.

- Josh Billings

*Success is achieved and
maintained by those who TRY,
And keep TRYING.
Where there is nothing
to lose by TRYING,
And a great deal to gain
if SUCCESSFUL,
By all means, TRY. DO IT NOW!
--- W. Clement Stone*

Most of the important things in the world have been accomplished by people who have kept on trying when there seemed to be no hope at all.

- Dale Carnegie

You're not obligated to win. You're obligated to keep trying to do the best you can every day.

- Marian Wright Edelman

"Whenever you are asked if you can do a job, tell'em, 'Certainly I can!' - and get busy and find out how to do it."
Theodore Roosevelt

*Do the one thing you think you cannot do.
Fail at it. Try again. Do better the second
time. The only people who never tumble
are those who never mount the high wire.*

This is your moment. Own it.

- Oprah Winfrey

Many of life's failures are people who did not realise how close they were to success when they gave up.

- Thomas Alva Edison

HERE'S ONE TO USE WHEN YOU REALLY FEEL LIKE QUITTING!

The longer you work in the right direction, the closer you are to success. Too many people give up when success is within thier grasp. They leave it for someone else to capture!

The only place
SUCCESS comes before
WORK is in the dictionary!

What's money? A man is a success if he gets up in the morning and goes to bed at night and in between does what he wants to do.- Bob Dylan

I don't know the key to success, but the key to failure is trying to please everybody.

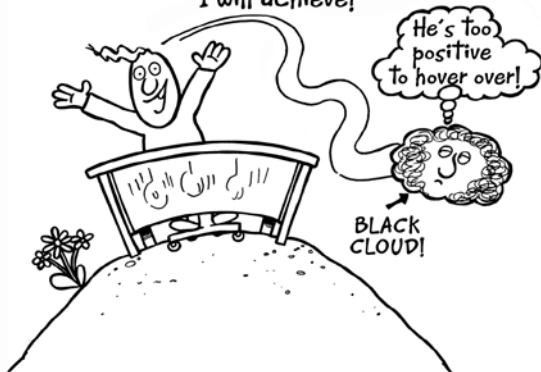

Bill Cosby

Every day you may make progress. Every step may be fruitful. Yet there will stretch out before you an ever-lengthening, ever-ascending, ever-improving path. You know you will never get to the end of the journey. But this, so far from discouraging, only adds to the joy and glory of the climb.

Sir Winston Churchill

What I did yesterday wasn't good enough,
what I do today won't be good enough.
It can be bettered tomorrow.
I can do better, I can make it work,
I will achieve!

Use what talents you possess: the woods would be very silent if no birds sang there except those that sang best.

Henry Van Dyke

Believe in yourself! Have faith in your abilities! Without a humble but reasonable confidence in your own powers you cannot be successful or happy.
Norman Vincent Peale

It seems to me that people have vast potential. Most people can do extraordinary things if they have the confidence or take the risks. Yet most people don't. They sit in front of the telly and treat life as if it goes on forever.- Philip Adams

If you greatly desire something, have the guts to stake everything on obtaining it.
Brendan Francis

See them as building blocks
on the learning curve!

There's absolutely no stopping someone
who's glowing with inspiration
and the desire to win!

If you can dream it
you can have it!

Genius is one per cent inspiration,
ninety-nine per cent perspiration.
Thomas A. Edison

The reason most people never reach their goals is that they don't define them, or ever seriously consider them as believable or achievable. Winners can tell you where they are going, what they plan to do along the way, and who will be sharing the adventure with them. - Denis Watley

ABOUT THE AUTHOR...

Richard Duszczak (Pronounced Du-shack!) is a much loved motivational cartoonist in the United Kingdom, on a mission to become a much loved motivational cartoonist in the world. (And when he achieves that he'll up his goals to become a EXTREMELY WELL KNOWN cartoonist in the Universe..etc etc.!) He doesn't confess to be a Motivational Guru, but he has read all the books and listened to the tapes by the truck load: Napoleon Hill's Think and Grow Rich was the one that set him on the road to success so to speak. Others followed...Clement Stone, Og Mandino, Zig Ziglar, Norman Vincent Peale, Earl Nightingale, Brian Tracey, Dennis Waitley, Anthony Robbins, Wyne Dyer, Stephen Covey, David Schwartz, Peter Thompson and many more. So he's had extremely good teachers!

Richard is a self taught cartoonist who used cartoon illustrated affirmations to motivate himself to carry on when rejection of his work followed rejection. Starting out without any graphic arts experience back in 1982, he learnt everything he knows from reading books and taking action. You could say he graduated from the *College of Hard Knocks*. (And he did take some knocks as his work was pretty poor when he first started!) But with sheer determination, hard work, perseverance and more hard work he began to make a living as a cartoonist. His lifelong dream.

All these cartoons are available in full colour or black and white for presentations, colour magazines and to illustrate articles.
